

## MEASUREMENT AND REGISTRATION – MAP OF WEST END

### Measurement Stations:

- #1 – Drop-off sails for measurement.
- #2 – Equipment check and weigh rudder. Apply bow stickers.
- #3 – Drop-off boat for storage assignment. Step mast and remove all equipment to weigh boat. (No vehicles are allowed in the storage area.)
- #4 – Weigh boat and launch, or return to storage.
- #5 – Pick-up sails under the club.
- #6 – Registration and crew weigh-in, located in the Grill on first floor.

**Off-hours arrivals should park boats in Area #2. Boats may not enter the storage area (#3) until they have received bow stickers.**

**Please park vehicles only in the outer parking lot (P) during the event. The inner parking lot is strictly reserved for SYC members to use the clubhouse.**
